## IMAGE GENERATION DETAILS

Setting/Theme: Futuristic Sci-Fi

Description: Advanced futuristic setting with starships, advanced technology, and space stations

Generation Prompt:

32-bit pixel art with clearly visible chunky pixel clusters, dithered shading, low-resolution retro futuristic sci-fi aesthetic. Human female Vespera Darkblade Human: A formidable human female Sith wielding a red saber staff, wearing a long red cape with black futuristic body armor., depicted in a distinctly futuristic sci-fi world. Placed in a expansive futuristic sci-fi setting, rendered with simplified tile-like textures and deliberate low-color shading. Use a cohesive warm earth tones with vibrant accents palette. Position the character in the lower third of the frame, (facing the camera), viewed from a pulled-back wide-angle perspective showing expansive landscape surrounding them. The character should occupy only 60-70% of the composition, with dominant landscape and sky filling the remainder. Retro SNES/Genesis style, advanced technology, holographic displays, energy weapons.
