IMAGE GENERATION DETAILS

Setting/Theme: Medieval Fantasy

Description: Classic medieval high-fantasy setting with castles, magic, and ancient ruins

Generation Prompt:

32-bit pixel art with clearly visible chunky pixel clusters, dithered shading, low-resolution retro medieval high-fantasy aesthetic. Human male A burly fighter with a strong build, standing tall with short-cropped black hair and piercing blue eyes, clad in chainmail armor and wielding a hefty longsword., depicted in a distinctly medieval high-fantasy world. Placed in a expansive medieval high-fantasy setting, rendered with simplified tile-like textures and deliberate low-color shading. Use a cohesive warm earth tones with vibrant accents palette. Position the character in the lower third of the frame, (facing the camera), viewed from a pulled-back wide-angle perspective showing expansive landscape surrounding them. The character should occupy only 60-70% of the composition, with dominant landscape and sky filling the remainder. Retro SNES/Genesis style, no modern objects or technology.
