Barbarian Yuan-ti: A serpentine race with resistance to magic and the ability to cast spells. A fierce warrior who fights with primal fury, depicted in a distinctly medieval high-fantasy world. Placed in a expansive medieval high-fantasy setting, rendered with simplified tile-like textures and deliberate low-color shading. Use a cohesive warm earth tones with vibrant accents palette. Position the character in the lower third of the frame, (facing the camera), viewed from a pulled-back wide-angle perspective showing expansive landscape surrounding them. The character should occupy only 60-70% of the composition, with dominant landscape and sky filling the remainder.
